LEGISLATIVE ACTION ITEM

SPONSOR: Grover C. Robinson, IV, Mayor

SUBJECT:

INCREASE AWARD BID #18-017 - BROWNFIELDS CLEANUP OF SUBMERGED LANDS FOR THE CITY OF PENSACOLA

RECOMMENDATION:

That City Council increase the award amount for Brownfield Cleanup of Submerged Land for the City of Pensacola to H.G. Harders & Son, Inc. of Panama City, Florida for an extension of piling debris removal in Pensacola Bay south of the Community Maritime Park from a not to exceed cost of \$253,000 to \$283,000. Further, that City Council authorize the Mayor to execute all necessary documents to complete the project.

HEARING REQUIRED: No Hearing Required

SUMMARY:

On July 19, 2018, City Council awarded a contract with H.G. Harders & Son to provide debris removal services in Pensacola Bay south of the Community Maritime Park. The contract was limited up to \$253,000 due to other budget requirements under the EPA Brownfields Grants. The \$30,000 increase in cleanup costs now is available due to the Cleanup Implementation phase of the project no longer being required, thus freeing up the \$30,000 under that portion of the grant. The ongoing piling debris removal project concludes tomorrow, Friday, May 31, 2019 unless extended to the extent allowed with the increased budget of \$30,000. This action would allow the transfer of the funds from that unused phase to the cleanup phase of work and a change order

to be executed.

Due to the time constraints, this item is being presented as an Add-On Item.
