AMENDMENT OF PHASE II PROJECT SCOPE - GENERAL DANIEL "CHAPPIE" JAMES JR. MUSEUM & YOUTH FLIGHT ACADEMY PROJECT

RECOMMENDATION:

That the Eastside Redevelopment Board (ERB) recommend that, the Community Redevelopment Agency (CRA) approve amendment of the General Daniel "Chappie" James, Jr. Museum and Flight Academy Phase II Project scope.

SUMMARY:

Funding for the General Daniel "Chappie" James, Jr. Museum and Flight Academy Project has been a priority project of the CRA for the Eastside Redevelopment Area. The historic home site of America's first African American Four Star General, Daniel "Chappie" James, Jr. is located on Dr. Martin Luther King Jr. Boulevard and listed on the National Register of Historic Place. The museum is operated by the Chappie James Museum of Pensacola, Inc. - a not for profit organization. Science, Technology, Engineering and Mathematics (STEM) tutoring and youth flight academy workshops are provided at the site by the Chappie James Youth Flight Academy organization to help prepare community youth for potential careers in the field of aviation.

The approved project included development of a free standing surface parking lot one block away to address overflow needs at the project site. Recently, however, the shared use of nearby existing parking lots was identified as a more appropriate alternative to constructing an additional surface parking lot in the neighborhood for Chappie James overflow parking use.

In lieu of the parking lot, the Museum and Flight Academy boards have requested the remaining project funds be used to construct an outdoor classroom -- expanding available space for the two programs. Additionally, the groups have requested additional site and right of way improvements, including fencing at the site, sidewalk repair and street lighting along E. Moreno Street.

Staff recommends that the ERB recommend that the CRA approve the amendment of the Phase II project scope to substitute these improvements for construction of the stand-alone parking lot, to the extent remaining project funding will allow.
