SUBJECT:

AMENDMENT OF PHASE II PROJECT SCOPE - GENERAL DANIEL "CHAPPIE" JAMES JR. MUSEUM & YOUTH FLIGHT ACADEMY PROJECT

RECOMMENDATION:

That the Community Redevelopment Agency (CRA) approve amendment of the General Daniel "Chappie" James, Jr. Museum and Flight Academy Phase II Project Scope.

SUMMARY:

Funding for the General Daniel "Chappie" James, Jr. Museum and Flight Academy Project has been a priority project of the CRA for the Eastside Redevelopment Area. The historic home site of America's first African American Four Star General, Daniel "Chappie" James, Jr. is located on Dr. Martin Luther King Jr. Boulevard and listed on the National Register of Historic Place. The museum is operated by the Chappie James Museum of Pensacola, Inc. - a not for profit organization. Science, Technology, Engineering and Mathematics (STEM) tutoring and youth flight academy workshops are provided at the site by the Chappie James Youth Flight Academy organization to help prepare community youth for potential careers in the field of aviation.

Phase II of the approved project included development of a free standing surface parking lot one block away to address periodic overflow parking needs at the Chappie James site. Recently,

however, the shared use of nearby existing parking lots was identified as a more appropriate alternative to constructing an additional surface parking lot in the neighborhood.

In lieu of the parking lot, the Museum and Flight Academy boards have requested that Phase 2 of the project be amended to include construction of an outdoor classroom to expand available space for the two programs. The groups have also requested additional site and right of way improvements, should remaining funds be sufficient, including one or more of the following: fencing at the site and sidewalk repair and street lighting along E. Moreno Street.

Staff recommends the CRA approve amendment of the project scope to substitute these improvements for construction of the stand-alone parking lot, to the extent remaining project funding will allow. It is understood that the remaining funds may not be sufficient to complete all identified items.
