Item 3 - 804 E. Wright Street  
Old East Hill Preservation District / Zone OEHC-2  
New Construction

**RECOMMENDATION:**

George Williams is seeking final approval for a new single story retail building. The new space will be an addition to the DUH commercial campus and has been designed to match the existing building to the east. The building will have matching board and batten siding, a 5V-crimp metal roof, aluminum storefront and doors, and a paint palette to match. The landscaping will be minimal with matching white oleander and sod as well as simple concrete walkways between the buildings and to the sidewalk.
