SUBJECT:

Pensacola Energy - Request for Demolition - 1515 E. Heinburg Street

BACKGROUND:

Pensacola Energy has requested the demolition of a chain link fence and two small buildings (approximately 12' x 12') at their substation on 1515 E. Heinburg Street. This property is located in the Gateway Review District and therefore requires Planning Board approval. The existing Gulf Breeze meter set shown on the plans will be enclosed with a decorative wooden fence.

This request has been routed through the various City departments and utility providers and their comments are attached for your review.
