SUBJECT:

PROJECT LIST & 5-YEAR IMPLEMENTATION PLAN (FY2021-2025)

RECOMMENDATION:

That the ERB recommend a project list and 5-year implementation plan which reflect the ERB's priorities for project development and/or implementation during the five-year period beginning in Fiscal Year 2021 beginning October 1, 2020 through Fiscal Year 2025 ending September 30, 2025.

SUMMARY:

On March 14, 2013, City Council established the Eastside Redevelopment Board (ERB) to provide for the ongoing involvement of stakeholder groups in the Eastside community redevelopment area. The principal duties of the ERB are to provide recommendations regarding an annual project list and 5-year implementation plan for projects authorized by the Eastside-Urban Infill and Redevelopment Area Plan and to monitor the implementation of such projects.

A proposed project list and 5-year implementation plan is attached. The list includes projects which are anticipated to be further developed or implemented during the five-year period beginning in Fiscal Year 2021, commencing on October 1, 2020, through Fiscal Year 2025, ending on September 30, 2025. Project recommendations will be considered for incorporation into the FY2021 CRA Work Plan and any applicable/appropriate budgets.

Any new projects or substantial modification(s) to project scope desired by the ERB should be

referred to staff for review to ensure their feasibility and alignment with the redevelopment plan before they are added to the project list. A staff recommendation can then be brought back to the ERB, and the project(s) and/or modification(s) considered for incorporation into the project list and implementation plan, if appropriate.

PRIOR ACTION:
