UWF Historic Trust Recommendation to Adopt Resolution on Alternative Building Materials

### BACKGROUND:

UWF Historic Trust has recommended that ARB consider a resolution concerning the use of alternative building materials. This resolution / policy would supersede all previous policies concerning the use of vinyl, aluminum, fiber cement, or other artificial materials. Per ARB's Rules and Procedures adopted in 2006, the board may at its discretion adopt resolutions deemed beneficial in addressing its intentions or processes. This item was discussed by the Board in April and May. Comments from those meetings have been incorporated into this current version.
