LEGISLATIVE ACTION ITEM

SPONSOR: Grover C. Robinson, IV, Mayor

SUBJECT:

REVISED: AWARD OF BID NO. 22-042 OSCEOLA GOLF COURSE DRAINAGE & FEMA IMPROVEMENTS

RECOMMENDATION:

That City Council award Bid No. 22-042 Osceola Golf Course - FEMA Repairs Project to Empire Builders Group, Inc., the lowest responsive and responsible bidder with a base bid of \$584,056.34 plus a 20% contingency in the amount of \$116,811.27 for a total amount of \$700,867.61. Further, that City Council authorize the Mayor to execute the contract and take all action necessary to complete the project.

HEARING REQUIRED: Choose an item.

SUMMARY:

This project consists of Hurricane Sally repairs and improvements to the drainage ditch within Osceola Golf Course. The proposed construction will include a riprap-lined drainage ditch, fencing repair, tree relocation, curbing, flume, and sodding.

The current Project Worksheet (PW) filed with FEMA was for a total amount of \$526,664.38 with a 90% provided by the Federal Emergency Management (FEMA), 5% provided by the Florida Division

of Emergency Management (FDEM) and the remaining 5% from the City of Pensacola.

However, the bids came in higher than the original PW amount. Therefore, since this is considered a large project by FEMA, it is expected that the additional cost will be covered by FEMA, provided that the work completed adheres to the scope outlined in the PW.

	\$700,867.61	TOTAL
Actual:	\$584,056.34	Contract
	116,811.27	20% Contingency
	100.59	Misc.
	\$700,867.61	TOTAL

FINANCIAL IMPACT:

FEMA has obligated a PW in the amount of \$526,664.38 with 90% provided by the Federal Emergency Management Agency (FEMA), 5% provided by the Florida Division of Emergency Management (FDEM) and the remaining 5% from the City of Pensacola. While this is a large project and upon closeout the City will request additional funds from FEMA and FDEM based on actual project cost. Should additional funding not be granted, additional funding will be sought after. At the end of Fiscal Year 2021, \$2.46 million of available Fund Balance within the General Fund was assigned to ensure the City has sufficient funds for the required 12.5 % match for Hurricane Sally projects.
