SUBJECT:

VETERAN'S MEMORIAL PARK RESTROOMS AND EDUCATIONAL CENTER

RECOMMENDATION:

That the Community Redevelopment Agency (CRA) approve an allocation, in the amount of \$350,000, for the construction of permanent public restrooms and an educational center at Veteran's Memorial Park, subject to rejection of the City's proposal to the State House Appropriations for \$350,000 in grant funding in support of the project. Further, in the event the grant is not received, that an agreement be brought back before the CRA for approval.

SUMMARY:

Veterans Memorial Park, located at 200 South 9th Avenue in Pensacola, is managed and maintained by the Veteran's Memorial Park Foundation, a non-profit organization. The Foundation has requested an allocation of \$350,000 to support construction of a permanent 1,750 square foot, single-story facility to house public restrooms, an education center and storage for the park. To fund the facilities, the City has submitted a proposal through the State House Appropriations. If the grant is received, then CRA funding will not be used for construction and instead grant funds will be utilized.

Construction of these facilities will directly contribute to the health, wellness and healing that the park provides by accommodating on-site needs of visitors. Veterans and groups use the park daily for remembrance, reflection, reunions, and recreation. Funds will provide this important heritage tourism destination with needed amenities and will maximize park usage.
