Replacement Metal Pergola System at a Noncontributing Structure

### BACKGROUND:

McNeill Palm Contracting LLC is seeking approval to replace a storm damaged pergola structure at the rear of a noncontributing structure. The new structure will be white aluminum with an acrylite panel and will be custom engineered to meet drainage and wind load requirements. Product rendering, details, and a site plan have been provided along with images of the old pergola system.

Please find attached all relevant documentation for your review.
