Pensacola, FL 32502

Memorandum

File #: 20-00535

City Council

9/10/2020

PRESENTATION ITEM

FROM: City Council Vice President Jared Moore

SUBJECT:

5G TECHNOLOGY

REQUEST:

That City Council receive a presentation regarding 5G technology.

SUMMARY:

Much discussion has taken place regarding 5G technology, the potential risks, limiting factors due to pre-emptive legislation as well as the advantages that 5G technology potentially provides.

During this presentation, Council will hear from two (2) individuals regarding some of these matters.
