LEGISLATIVE ACTION ITEM

SPONSOR: City Council President Jewel Cannada-Wynn

SUBJECT:

EXTENSION OF ORDINANCE NO. 15-20 REQUIRING THE MANDATORY WEARING OF FACE COVERINGS IN BUSINESSES WITHIN THE CITY LIMITS.

RECOMMENDATION:

That City Council extend Ordinance No. 15-20 requiring the mandatory wearing of face coverings in businesses within the City Limits until December 10, 2020.

HEARING REQUIRED: No Hearing Required

SUMMARY:

Conditions presented by the threat of Covid-19 posed a threat to the public health that required a dynamic emergency response. The use of face coverings was identified as a measure to assist in preventing individuals who may be shedding the Covid-19 virus from spreading it to other individuals. To reduce the spread of the disease, the Centers for Disease Control and Prevention ("CDC") recommended the use of cloth face coverings in public settings where other social distancing measures are difficult to maintain, such as inside businesses.

On June 22, 2020, after Florida reported more than 4,000 new cases of Covid-19 in a single day, State Surgeon General Scott Rivkees issued an additional public health advisory recommending people wear face coverings in any setting where social distancing is not possible, stating that in gatherings of fewer than 50 people, individuals should maintain at least six feet distance from each other and wear a face covering.

While there continues to be a downward trend in daily hospitalizations due to COVID-19, continue vigilance is needed to protect against a possible second wave of infection. While practicing CDC guidelines in order to help prevent the spread of COVID-19, the CDC recommends the wearing of masks in public settings around people who don't live in your household and when you are unable to stay 6 feet away from others. Masks help stop the spread of COVID-19 to others. That is the intent of this ordinance.

Within Ordinance No.15-20, Section 6. Sunset Date., states, "Unless rescinded or extended by subsequent act of the City Council, this Emergency Ordinance shall sunset upon the expiration of the City's state of emergency as it may be extended." In the event the State of Emergency expires, a

Council extension of Ordinance No. 15-20 serves to separate the Ordinance from the State of Emergency.
