SUBJECT:

Discussion on UWF Historic Trust Recommendation to Adopt Resolution on Alternative Building Materials

BACKGROUND:

UWF Historic Trust has recommended ARB consider a resolution concerning the use of alternative building materials. This resolution / policy would supersede all previous policies concerning the use of vinyl, aluminum, fiber cement, or other artificial materials. Per ARB's Rules and Procedures adopted in 2006, the board may at its discretion adopt resolutions deemed beneficial in addressing its intentions or processes. This item is for discussion only and will be brought back to the board for a vote in May.
