**SUMMARY:**

Pensacola International Airport is eligible to receive annual grants in aid from the Federal Aviation Administration (FAA) to help cover the costs of certain safety, security, or capacity projects needed for the ongoing operation and development of the facility. These grants, offered under the FAA's Airport Improvement Program (AIP), are based on passenger enplanements.

As part of the annual budget process, Airport Staff works with FAA personnel to identify projects that qualify for AIP reimbursement and submits pre-applications and applications to the FAA accordingly. For this year, Airport Staff identified an item for reimbursement; Airport Rescue and Firefighting (ARFF) Mobile Test Cart.

In response to the application filed by Airport Staff, the FAA has offered a grant in the amount of \$23,750.
