Conceptual Review of a New Townhome Development

### **BACKGROUND:**

Michelle Burch, Caldwell Associates Architects, is seeking *conceptual review*, of a new townhouse development located on an existing parking lot. This project received conceptual approval with consideration of the board's comments in February 2021.

The proposed development will have eleven (11) single family attached dwelling units consisting of three (3) different three-story unit types. Changes have been made to the exterior design which now shows a brick façade with horizontal siding infill. Additional materials and accents have been incorporated and the February 2021 elevations have been included for comparison.

Please find attached all relevant documentation for your review.
